

In light of issues in the nation the Eastland Chamber of Commerce has compiled a useful list of restaurants throughout the region who are offering take out options for those that would like to still eat out, but might not want to dine in.

All restaurants in Eastland are taking necessary precautions such as smaller capacities, requiring more sanitation, and many making curbside assistance available.

For restaurants doing curbside delivery you will need call ahead, and call once you are there to pick up the order for someone to bring it to your vehicle. If you are trying to avoid minimal amount of contact pay over the phone if you can.

This is a very crucial time during this unprecedented event- which is why our local businesses, especially our restaurants, need us now more than ever. Please Participate in our Takeout Blitz- see how many local restaurants you can support! Tag us on Facebook and show us your delicious meals made with the spirit and hard work of one of the restaurants below.

All information is subject to change:
